## **PUBLIC NOTICE TO BOIL WATER**

Due to a loss of water pressure, the Texas Commission on Environmental Quality (TCEQ) has required our water system, The Town of Ransom Canyon: PWS ID #1520056, to notify customers who live on South Lakeshore Drive, Stirrup Lane, Squaw Lane and Sunset Lane of the need to boil their water prior to consumption.

To ensure destruction of all harmful bacteria and other microbes, water for drinking, cooking, and making ice should be boiled and cooled prior to use. The water should be brought to a vigorous, rolling boil and then boiled for two minutes. In lieu of boiling, you may purchase bottled water or obtain water from some other suitable source.

When it is no longer necessary to boil the water, the water system officials will notify you that the water is safe for consumption.

Instructions to discontinue boiling will be issued in the same manner as this notice.

If you have questions concerning this matter, you may contact Operations Manager, Harold Needham at 806-786-4310.
